

NEW AWARD FOR TRANS-i “ENTERPRENUAL IMAGE 2006”

Trans-i Technologies Inc.’s development office
in Lima, Peru, is honored with another prize

It is our pleasure to inform you that on
Wednesday, September 27, 2006,
Trans Solutions Systems, development office for
Trans-i Technologies Inc., has been awarded by
the C&H Image Corporation with the prize:

“ENTERPRENUAL IMAGE 2006”
Category:
Services – Software Development

This title recognizes TSS for its
undertaking abilities and creativity as well as
its **corporate image**, not only before its
workforce and its market sector, but also
before the whole society through specific
actions that reinforce its **social responsibility**
commitment, which accompanies and
complements its corporate values.

We hereby congratulate and thank TSS’
dedicated staff for its professionalism and skills,
which allow the company to be awarded with
this important trophy, filling us with pride and
motivating us to keep working in order to
improve each day as professionals
as well as human beings.
